Jen - EPA prefers to meet Friday, August 5th. We can also meet August 4th if necessary but will need to get back to you on times. Kristine and I will participate for EPA. We will have one or two representatives from CDM participate in the meeting. It's unclear if other EPA project partners will attend - will get back to you Monday with that info.

(reply requested)

Chip, Kristine,

I would like to schedule the RALs and alternatives meeting for next Thursday, August 4th or Friday, August 5th. Please provide me your availability to attend a meeting on these dates. We expect the meeting to take about four hours and would prefer to begin the meeting in the morning with the option to go longer than four hours, if needed.

Who from the EPA team would you like to attend the meeting? Do you plan to have any consultants from CDM attend?

Please let me know if you have any questions.

Thank you,
Jen Woronets J
